

Antique Mirror (French and Taiwan)

Antique Mirror is designed to offer a subtle retro appearance in any interior scheme. Offering a warm reflection high versatility. Can be used in a range of applications like large wall spans in interiors, lobbies, stylish commercial interiors, restaurants and bars, antique furniture, etc.

Some of the advantages of antique mirrors include their authentic decorative appearance, high durability, easy maintenance, and safety, making them one of the most popular choices for interior design. In compliance with EN 1036 standards, antique mirrors are intended for internal use only.

With their ability to provide a subtle and warm light, antique mirrors are highly versatile and can be applied in a variety of settings. They offer limitless design opportunities when combined with other materials such as wood, metal, and marble, making them an ideal choice for creative interior design projects.

Glass Thickness		Visible Light		Declared Emissivity	G-Value	Solar Reflectance (%)
mm	inches	Temperature Changes and temperature differentials	Exterior Reflectance			
6mm	1/4"	40	0.90/0.04	0.89	0.05	0.77/0.05
